SHRI DWARKADHISH TESTING LABS & RESEARCH CONSULTANCY

(NABL Accredited Laboratory)

All Type of Soil, Building & Highway Construction Material Testing & Consultancy Services

Shri Dwarkadhish Testing Labs & Research Consultancy is a NABL accredited laboratory as per ISO 17025:2005 and a civil engineering consultancy firm. We are involved in all Civil Engineering Consultancy , Geotechnical Investigation , Building construction Material Testing and highway construction material testing . The Team comprises young , fresh dynamic graduates and highly skilled , experienced and former professors and senior consultants.

In today's global markets and increasing emphasis on quality, need for laboratory data has increased many fold and top of that accuracy and reliability of data is an another concern.

Our construction material engineering and testing credentials speak for themselves. Our professional Engineers having vast experience and understanding of material testing, construction materials and construction practices. Our team of engineers and technicians help our clients anticipate and minimize potential issue and delays.

Our laboratory is equipped with the latest sophisticated building material testing equipments. Our services include not only material testing services as well as Engineering Observation, Structural Inspection etc.

Testing

- Cement –OPC ,PPC, RHPC,SRPC
- Aggregate – Coarse & Fine
- Soil investigation & Sub-base Material Testing
- Hardened Concrete / Fresh Concrete
- Bitumen/Modified Bitumen
- Building Bricks-Common burnt clay & lime fly ash
- Timber & Wood
- Water
- And many more...

OFFICE MEMORANDUM

"Shri Dwarkadish Testing Labs & Research consultancy, Mitra Colony Mukhani, Haldwani, Nr Sai Hospital, (Nainital), accredited testing laboratory is hereby approved for mechanical testing of building and roads materials as per scope of NABL certificate No. TC-7017 under all divisions of this circle for two years from the date of issue of this letter or till valid of validity of approval by NABL to this lab or till the validity of CPWD office memo DG/MAN/347 dt. 13.04.2017 whichever is earlier. The approval given does not absolve the supervisory officers of CPWD of their responsibility ensuring quality of work. Above approval does not make the firm eligible for claiming right to take the work done through them which is subjected to their competitive stands amongst other qualifying specialized firms in the field of material testing and discretion of field unit at places where Govt. labs & Engineering college etc. exists to avail material testing facilities.

The field staff shall have liberty to witness conducting of testing on samples in their presence. The performance of the laboratory shall be watched by field units and report to be submitted to the approving authority before expiry of validity of approval. The rate of testing material claimed by test house should not be more than CPWD, Central & State Govt. funded institution/laboratory approved rate and market rate whichever is less. Approval can be withdrawn on complaints, for uncalled action of the lab or otherwise without assigning any reasons.

This issues with the approval of the competent authority.
